#### Why Custom Qualifiers?

A huge benefit of electronic lead management is the ability to 'qualify' your leads. A qualified lead is a much more valuable piece of information than a badge scanned with no qualification. Every badge scanned should have a qualifier or note to ensure you remember the interaction when you follow-up after the show. Create your own Custom Qualifiers. Make sure you take advantage of this valuable tool.

All systems include Standard Qualifiers. Examples are: Decision maker • Follow up email/phone

- Set up post show meeting
